About your Policy

Understanding and using your policy

This section 'About **your** policy' does not form part of the legal contract between **you** and **us**. It includes information which will help **you** to understand and use **your** policy. Insurance policies can be difficult to understand so **we** have tried to make this policy easy to read. Some words have a special meaning in **your** policy and these are listed and explained on pages 7 to 10 'Words with special meanings'. Whenever a word with a special meaning is used it will be printed in bold type.

Your policy is in two parts – the policy wording and the schedule. The policy wording explains what is and what is not covered, how **we** settle claims and other important information. The schedule shows which sections of the policy wording apply, the limits to the cover and the premium. Please keep **your** schedule with the policy wording.

We will send **you** a new schedule whenever **you** or **we** make a change to the insurance and each year before renewal so **you** can check that the cover still meets **your** needs.

Once **you** have received **your** policy **you** will have 14 days to make sure the cover is exactly what **you** need. If it isn't, **you** can send back **your** documents and ask **us** to make any necessary changes. Alternatively, **you** can request cancellation of the policy, **you** should be aware that there may be a charge for cancellation should the policy have been in force and the refund will depend on whether **you** have made a claim.

Remember to keep **your** sums insured (which are shown on **your** schedule) up to date. If **you** have selected **buildings** insurance, **you** should increase **your** sum insured if **you** extend or make improvements to **your home**, such as installing doubleglazing, adding a fitted kitchen or conservatory.

If **you** have selected **contents** and **Personal belongings** insurance, **your** cover is for replacement as new. Remember to keep **your** sums insured up to date when **you** buy new items. Items such as jewellery, articles of precious metal, clocks, watches, paintings, works of art, antiques and stamp, medal and coin collections often change in value. These changes are not reflected in the indices used for inflation protection and **you** should make certain that these items are insured for the correct amount at all times. If **you** have any questions please contact **us**. The telephone numbers are shown on **your** schedule.

We value **your** feedback and at the heart of **our** brand **we** remain dedicated to treating **our** customers as individuals and giving them the best possible service at all times. If **we** have fallen short of this promise, **we** apologise and aim to do everything possible to put things right.

How to make a claim

If **you** need to make a claim, what **you** need most of all is speedy, professional, practical help. That is exactly what **we** provide. Whatever the problem, big or small, **we** are here to help **you**.

When an accident happens, **you** should take any immediate action **you** think is necessary to protect **your** property and belongings from further damage, such as switching off the gas, electricity or water.

Call **our** claims helpline on the number shown on **your** schedule. Please have **your** policy number handy when **you** call. While most claims can be agreed over the phone, there may be times when **we** will ask **you** to complete a claim form and provide **us** with further information.

To help **us** deal with **your** claim quickly, please read this policy booklet carefully, particularly the Claims conditions and Policy exclusions on pages 11 to 16.

Guidance when making a claim

Claim Notification

Conditions that apply to the policy and in the event of a claim are set out in **your** policy booklet. It is important that **you** comply with all policy conditions and **you** should familiarise yourself with any requirements.

Directions for claim notification are included under claims conditions. Please be aware that events that may give rise to a claim under the insurance must be notified as soon as reasonably possible although there are some situations where immediate notice is required. Further guidance is contained in the policy booklet.

Claims conditions require **you** to provide **us** with any reasonable assistance and evidence that **we** require concerning the cause and value of any claim. Ideally, as part of the initial notification, **you** will provide:

- **Your** name, address, and **your home** and mobile telephone numbers
- Personal details necessary to confirm **your** identity
- Policy number
- The date of the incident
- The cause of the loss or damage
- Details of the loss or damage together with claim value if known
- Police details where applicable
- Names and addresses of any other parties involved or responsible for the incident (including details of injuries) and addresses of any witnesses

This information will enable **us** to make an initial evaluation on policy liability and claim value. **We** may, however, request additional information depending upon circumstances and value which may include the following:

- Original purchase receipts, invoices, instruction booklets or photographs
- Purchase dates and location of lost or damaged property
- For damaged property, confirmation from a suitably qualified expert that the item **you** are claiming for is beyond repair

Sometimes **we** may wish to meet with **you** to discuss the circumstances of the claim, to inspect the damage, or to undertake further investigations.

Preferred Suppliers

We take pride in the claims service **we** offer to **our** customers. **Our** philosophy is, where possible, to repair or replace lost or damaged property or vehicles and **we** have developed a network of contractors, repairers and product suppliers dedicated to providing claim solutions. Where **we** can offer repair or replacement through a preferred supplier but, on request, **we** agree to pay **our** customer a cash settlement, then payment will normally not exceed the amount **we** would have paid **our** preferred supplier.

The Insurance Contract

This policy is a legal contract between **you** and **us**. The policy wording and schedule make one document and must be read together. Please keep them together. The contract is based on the information **you** gave **us** when **you** applied for the insurance.

Our part of the contract is that **we** will provide the cover set out in this policy wording:

- for those sections which are shown on **your** policy schedule;
- for the **Insurance period** set out on the same schedule.

Your part of the contract is:

- **you** must pay the premium as shown on **your** schedule for each **Insurance period**;
- **you** must comply with all the conditions set out in this policy.

If **you** do not meet **your** part of the contract, **we** may turn down a claim, increase the premium or **you** may find that **you** do not have any cover.

We can both choose the law which will apply to this contract. However, unless it says differently anywhere else in this policy, or unless **you** and **we** agree otherwise, the law which applies to this contract is:

- the law which applies to the part of the United Kingdom, the Channel Islands or the Isle of Man in which **you** live; or
- the law of England and Wales if **you** do not live in the United Kingdom, the Channel Islands or the Isle of Man.

This policy has been issued by Club Care on behalf of Groupama Insurance Company Limited.

Claims conditions

These are the claims conditions **you** will need to keep to as **your** part of the contract. If anything happens which might lead to a claim, what **you** must do depends on what has happened. The sooner **you** tell **us** the better. In some cases, there are other people **you** must contact first.

When an incident occurs which may result in a claim, **you** must also read the information on 'How to make a claim' on page 5.

You should also check the information on 'How **we** settle claims' under the section of **your** policy which covers the loss or damage, e.g. **contents, buildings**.

What you must do

If **you** are the victim of theft, riot, a malicious act or vandalism, or if **you** lose something away from **your home**, tell the police immediately and ask for a crime reference number and tell **us** as soon as **you** can, or in the case of riot tell **us** immediately.

Give **us** full details in writing as soon as **you** can and any claim form, application notice, legal document or other correspondence sent to **Your family** must be sent to **us** straightaway without being answered.

For all other claims, tell **us** as soon as **you** can.

You must not settle, reject, negotiate or offer to pay any claim **you** have made or intend to make under this policy without **our** written permission.

We have the right, if **we** choose, in **your** name but at **our** expense to:

- take over the defence or settlement of any claim;
- start legal action to get compensation from anyone else;
- start legal action to get back from anyone else any payments that have already been made.

You must give **us**, at **your** reasonable expense, all the information **we** ask for about any claim. **You** must help **us** to take legal action against anyone or help **us** defend any legal action if **we** ask **you** to.

When **you** call **us**, at **our** option **we** will:

How we settle claims

If **you** wish to claim under this section of **your** policy please follow the steps detailed in the 'How to make a claim' section (page 5).

You should also read the Conditions and Exclusions on pages 13 to 16.

How we settle claims for buildings

1 **We** will pay for the reasonable cost of work carried out in repairing or replacing the damaged parts of **your buildings** and agreed fees and related costs.

At **our** option **we** will arrange for specialist investigations to be carried out.

We may take over and conduct in **your** name with complete and exclusive control, the defence or settlement of any claim.

If the repair or replacement is not carried out, **we** will pay the decrease in market value of **your buildings** due to the damage but not more than it would have cost **us** to repair the damage to **your buildings** if the repair work had been carried out without delay.

At **our** option **we** will make a cash settlement but **we** will not pay more than it would have cost **us** to repair the damage to **your buildings** if the repair work had been carried out without delay.

- 1 No allowance will be made for VAT when a cash settlement is made.
- 2 Where an **excess** applies, this will be taken off the amount of **your** claim.
- 3 If **your buildings** have not been kept in a good state of repair or if the sum insured at the time of the loss or damage is less than the cost of rebuilding all **your buildings** in the same way, size, style and appearance as when they were new, including fees and related costs, **we** will pay the cost of repairing or replacing the damaged parts of **your buildings** and **we** will, where appropriate, take off an amount for wear and tear.
- 4 The most **we** will pay for any one claim, including fees and related costs, is the amount it will cost **us** to repair the damage to **your buildings** in the same way, size, style and appearance as when they were new, but not more than the sum insured or any limits shown on **your** schedule.

We will not pay for:

- Loss of value resulting from repairs to or replacement of damage to **your buildings**;
- Replacing or changing undamaged parts of **your buildings** which belong to a set or suite or which have a common design or use, such as a bathroom suite or fitted kitchen units, when the damage is restricted to a specific part or clearly defined area.

Inflation protection

The sum insured shown on **your** schedule will be adjusted in line with a recognised index. Please note that if **we** selected **your** sum insured for **you** the sum insured shown on **your** schedule will not be adjusted.

No extra charge will be made for any increase until the renewal of the policy, when the renewal premium will be based on the adjusted sum insured and limits.

Index linking of the sum insured will continue during repair or replacement following loss or damage provided the sum insured at the time of the loss or damage represents the full rebuilding cost and **you** ensure that the work is carried out without undue delay.

For **your** protection, **we** will not reduce **your** sum insured if the index moves down unless **you** ask **us** to.
